More letters may be sent from
there? It is not possible to
control the lunatics at large &
letters from them supply all I need.

The female in Boston continues
to telephone me & I have received
another crocheted honor from Bosta.

Your client needs protection -

Willie is on his ground for the
present. He never realized how much
in me looked at as he walked along

Broadway yesterday - I shivered up
but said nothing -

I am writing without my glasses &
can see nothing. Sincerely, James H. H.

Dear Tim -

Please pardon the
strange looking parcel. I can't
seem to find a large envelope
in the house - I usually have
a supply.

This threatened suit does not
worry me, as I know there is
nothing to it, but I certainly do
hate to see my name run in
mild head lines again -
